The Syrian Coalition mourns the death of hero Wael al-Mousa, commander of the First Corps of the Syrian National Army who died while he was carrying out his duty in Operation Olive Branch against the militias of the terrorist Democratic Union Party (PYD).

On behalf of the Syrian people, the Syrian Coalition extends its heartfelt condolences to the family and fellow fighters of Mousa whose death will serve as an inspiration to us to carry on with the revolution until complete victory and liberation of the homeland.

The passing away of the fallen heroes will only increase our determination to continue our struggle for the sake of the homeland and the good of Syria and its people.
