19.	Repeal of Directive 2007/38/EC on the retrofitting of mirrors to heavy goods vehicles	Legislative (Repeal)	The directive is no longer relevant. Its content has been taken up by regulations on the type approval of heavy goods vehicles.

The new Oil Stocks Directive (adopted 2009 – all provisions in force since 2013) covers emergency stocks and includes the possibility of a target for consumption reductions.
